Greetings to you all.

It is with a deep concern and a troubled heart that I am writing this letter to you.

We, as the Anglican Church, in the Diocese of George, has over the past weekend send out a circular in which we expressed our concerns, as the faithful, regarding the state of our nation. We are called by Holy Scripture and urged by our church to pray for the leaders of our nation during our Divine services, asking God to grant them wisdom and justice to lead His people under their care. It has been very clear that justice does not prevail and because of its non-existence, the prevalent corruption and self-interest, we believe that the current situation in our country is not in line with God's will.

I therefore call upon all Anglicans to earnestly seek God's intervention, to save our land and people and rescue us from all wrong and to pray for the leadership of our beloved country. This we can do only through fervent prayer and to submit ourselves in humility and obedience to God.

It is my plea, that on Friday (7<sup>th</sup> April 2017) as many Anglicans within the Diocese gather at their respective parishes for a prayer vigil between 12h00 and 13h00.

**Note that those in the George area will meet at the Cathedral of St. Mark at 12h00. Members of other Denominations are invited to join us in George and also throughout our region.**

Also bear in mind that this is an honourable venture. I therefore kindly request people to dress in black and white. Note that any T- shirts should also be the same. No T- shirt of any political party should be exhibit. If any posters are being used it should not be of a derogatory or embarrassing nature.
