

Prayers of the Faithful

3rd Sunday of Easter

Let us pray to Jesus, that we may be more aware how much he walks with us on the road of life, and let us say in response: ***Lord Jesus, journey with us***

- Lord Jesus, journey with your Church on the roads of peace and love that leads us to one another and to our destiny of lasting joy, we pray: ***Lord Jesus, journey with us***
- Lord Jesus, journey with Churches that claim you as Lord; lead them to one another that you may be their one Lord and Shepherd, we pray: ***Lord Jesus, journey with us***
- Lord Jesus, journey with our country especially in this time of isolation and lockdown. Inspire our leaders with your Spirit that they may be people of integrity who care about their people and their needs, we pray: ***Lord Jesus, journey with us***
- Lord Jesus, journey with all who suffer in our world. Lighten their burdens and pains, for you experienced how heavy a cross can be, and help us to lift up people from their miseries, we pray: ***Lord Jesus, journey with us***
- Lord Jesus, journey with our communities, that we may accept and love one another so that it becomes evident to all that you live among us, we pray: ***Lord Jesus, journey with us***

God our Creator,
our road in life is often tiresome
for it is the road of pilgrims.
Give us Jesus your Son
as our companion who journeys with us
and who warms our hearts with love and joy.
Let him keep breaking for us
the bread of himself that gives us courage.
Open our eyes to recognize him
in our downhearted and suffering brothers and sisters,
that they may see in us
something of our faith that our Lord is risen
and that he lives for ever and ever. **Amen**
